HIGHLY COMMENDED GLADIOLUS

•

DEAR FRIENDS:

We are continuing our condensed catalog. Additional information about any variety will be given gladly to anyone asking for it.

The numbers in the "class" column are the classifications of the N.A.G.C.C. system where the hundreds figures designate size of florets (1 being under 2½ inches; 2, between 2½ and 3¼ inches; 3, 3¼ to 4¾ inches; 4, 4½ to 5¾ inches; and 5, over 5¾ inches) and the other two figures indicate the colors. Where the classifications differ from the committee's 1948 list, we believe the variety was not correctly classified.

Prices given are for one bulb, 5 bulbs will be supplied at 4 times, and 25 bulbs at 17 times the unit price. 10 bulblets for the price of a large bulb and 100 at 7 times. Postage paid on prepaid orders over \$2.00. 5% discount on orders of \$5.00 to \$10.00; 10% discount on orders over \$10.00. No labeled single item less than 15 cents except in collections. Bulblet orders not accepted after April 15th.
